

SNAPSHOT | Investing in School Districts Across Minnesota

An Opportunity Agenda for a Better Minnesota

When Governor Dayton took office in 2011, he pledged to increase investments in Minnesota's students every year he was Governor – no excuses, no exceptions. Since 2011, Governor Dayton has kept that promise, working with the Minnesota Legislature to invest \$1.5 billion in E-12 education. This session, the Governor's budget would continue that progress, investing an additional \$609 million in E-12 education. See how students and school districts across Minnesota would benefit below.
